A firmly structured red, this offers cherry, raspberry, eucalyptus and iron flavors. There's an underpinning of dense tannins, yet overall this is medium-bodied and linear, with a compact finish. Best from 2027 through 2045. 7,000 cases made."

WINE ADVOCATE

"Coming in hot off some truly excellent past releases, the Oddero 2020 Barolo has a pretty mineral content with pencil shaving, crushed stone and wet soil that meets forest berry and underbrush. The wine hits on all cylinders, and there is good aromatic balance. It delivers a punch of bright fruit and crushed rose that gives way to pulverized stone."

"The wine exhibits a distinctive herbal character, laced with a lively pepper spice offering a mix of dried red fruits with an electric edge. On the palate, darker fruits emerge that then lean into a tar-like, earthy quality delivering depth and complexity in perfect harmony. Youthful tannins sit firmly on the palate with lifted acidity on the finish."
