GEWÜRZTRAMINER

We harvest the fruit for this wine when we believe it is at the optimal level of ripeness while still possessing sufficient acidity to yield a lively wine with the distinctive character of Gewürztraminer.

Many people who enjoy Gewürztraminer will appreciate the distinctive character of this wine. It has the floral qualities common to Gewürztraminer, but not so much to be overwhelming. These wines pair well with strongly-seasoned foods typical of Asian or Indian cuisines.
