93 POINTS
JEB DUNNUCK

A bright silver/straw color, the 2022 Pinot Gris is savory on the nose, with delicate toast, transparent mineral tones, wet pavement, yellow apples, and lemon rind. Medium to full-bodied, with a juicy feel, it has a fruitier profile on the palate, with a clean finish. This is a lovely and silky wine to drink over the next 6-8 years.

92 POINTS | vinOUS

The 2022 Pinot Gris Estate is delicate, with an understated bouquet of wildflowers and hints of ginger. The entry is round and soothing, contrasted by a reverberation of acid-driven tension as white pit fruits and sour melon nuances swirl throughout. The 2022 tapers off with a pleasantly bitter twang twang as lime and liquid stone suggestions fade slowly..
