

CAMINO DE NAVAHERREROS

91+ PTS | *Robert Parker*
WINE ADVOCATE

The young red 2023 Camino de Navaherreros is Garnacha with some 10% Tempranillo that fermented with indigenous yeasts and matured in 500-liter barrels and tinaja. It has a slightly deeper color than the pure Garnacha bottlings and a fruit-driven nose with aromas of berries, flowers and herbs. It has a medium-bodied palate with fine tannins and is balanced, easy to drink and very pleasant... Luis Gutiérrez
